

Electric Sundays

RECYCLE:

Televisions

Computers

Fluorescent Lights

The widely successful Electric Sunday e-waste recycling program will continue in 2010. Events will be held at the county's Recycling and Disposal Centers at the I-66 Transfer Station in Fairfax and at the I-95 Landfill Complex in Lorton. Events will run from 10 a.m. until 3 p.m. on the specified dates and locations.

Fairfax County residents may use each Electric Sunday recycling event to recycle televisions, computers, monitors and peripheral electronic devices such as printers, scanners, speakers, keyboards, mice and external drives. Residents may also recycle their fluorescent lights at these events as well! This is a free service for Fairfax County residents thanks to our partnership with Covanta Energy, Inc.

For additional information, please contact us at 703-324-5230, TTY 711.
