

Mission Statement draft:

The Centreville Immigration Forum is a group of concerned citizens, faith communities and social service groups who work together to:

- (1) build strong community, improving the health and safety of the Centreville area;
- (2) provide immigrants with tools to improve their own lives;
- (3) improve communication and cooperation among all groups serving low-income immigrants; and
- (4) build community recognition of the strength in Centreville's diversity.
